

WORKSHOP

Cells & Networks

2.6.2014

Institute of Biochemistry, Brüderstr. 34, Kleiner Hörsaal

Programme:

13.00 Uhr Andreas Müller: Cell adhesion under lateral constraints

13.30 Uhr Michaela Kettner: Cell and tissue shapes

14.00 Uhr Break

14.30 Uhr Christina Müller: Cell adhesion in dependence on ligand affinity and substrate elasticity

15.00 Uhr Marc Lämmel: Wet electrostatics of rod-like molecules

Organization:

Prof. Dr. Tilo Pompe, Institute of Biochemistry

Prof. Dr. Klaus Kroy, Institute of Theoretical Physics
